### Popular but not biblical

Obey isn't a New Testament thing

Follow your heart

God doesn't punish

Don't feel bad about your behavior

God doesn't get angry

Follow the customs of the world so you will fit in

If you're a friend of the world you'll grow your church

You should not offend

Mean legalistic "Pharisees" preach repentance and morality

Holier-than-thou people preach holiness

Marriage is temporary

Men and women can do the same roles and have the same positions

Men of God partner in ministry with false teachers

Enjoy your life, since Jesus gave you "life in the fullest"
